This is an **Archery NZ registered tournament**. **Non Archery NZ** members can shoot in an **“Open”** class but are not eligible for medals or records. **Placings and Medals will only be awarded to archers belonging to the ADAA, non ADAA members will receive a certificate if they place.**

Some age divisions maybe combined if there is less than 3 archers in that division e.g. MMR & MR etc. Archers will be notified if their requested division changes – however the distance shot will not change.

As this is a registered shoot the Archery NZ Dress Code will apply. Current NZ representative Uniform, Club, squad or district uniform or sponsors clothing or appropriate Sports clothing. Closed in shoes are a requirement. Archers initials on each arrow please.

Please bring what you will need during shooting to the line as car parking will not be close to shooting line. There is a café at the Aero Club which does great coffee, lunches etc. Water & drinks will be available for purchase in the Registration tent. Order form for lunches will be sent on registration.

Results will be posted on the Archery NZ & ADAA websites.
